Circle City Enrichment Center Tuition Pricing

Circle City Enrichment Center Courses cost \$30/hour per day or \$50/hour per month for 1st-8th Grade. Unlimited daily classes may be taken per month with the below discounted prices. Any classes dropped during the month revert back to the hourly rate or \$50/day attended during the month, whichever is less. If student is enrolled with a charter, confirm with charter school the number of days that may be attended prior to registering unless paying out of pocket for the complete program. Your student's hours per week may be limited by your student's charter program. We reserve the right to combine grades as registration allows and change class offerings.
