

2024-25 High School Proposed Schedule

Tuesday and Thursday Academic Days

Math – student’s own curriculum, 1 hour of work each day

Language Arts – 9A/B, novel studies (minimum of 5 including non-fiction, fiction and poetry study), grammar and writing

Social Studies – World History 1, Ancient Civilizations

Science – Biology with Labs

Language other than English – ASL 1

- Samples and tests will be given and kept as record of completion so you may submit to your Charter (except for Math)

Wednesday Enrichment Day

Year classes: PE and Yearbook/Newsletter

Rotating classes: Art, Woodworking, Cooking, STEM, Music, Christmas Program, Financial Literacy and other classes

- Parents are responsible for Health, PE, Math and Advisory Requirements
